

# An ACCOUNT of the Proceedings of the GOVERNORS of St. George's Hospital near Hyde-Park-Corner, from the first Institution, October 19, 1733, to the first of January, 1735; together with a LIST of the Gover- nors and Contributors, and an ABSTRACT of some of their By-Laws.

Publsh'd by Order of the General Board, Friday, February 6, 1735.

THE Governors of St. George's Hospital near Hyde-Park-Corner, having carried on the Charity there above two Years, and having made up their Accounts to the 1st of January last, think themselves obliged, in Justice to their Subscribers and Benefactors, to publish an Abstract of those Accounts, together with a short Account of the Proceedings of their Society; that not only their Contributors, but the Public may judge of their Behaviour, and see how providentially the Hand of the Almighty hath conducted a Charity tending so much to his Glory, and the common Good of Mankind.

AND as it is not doubted but many well-disposed Persons would gladly assist in promoting so laudable and pious an Undertaking, if they were sufficiently appriz'd of the Nature of it; it is therefore thought proper, in order to render this Charity as extensive as possible, to inform the Public, that the general Design of it is to relieve all such poor, sick and lame Persons, as appear to be curable, and proper Objects. Physical Advice and Medicines are given to them all, and Diet, Washing, and Lodging, to as many as the House will contain, and some of the most miserable of them are likewise Cloathed; so that it may be said of this Society, that they make it their constant Business to relieve the Sick, feed the Hungry, and cloath the Naked.

THIS Undertaking was set on foot soon after Michaelmas, 1733, by some Gentlemen who had been before concerned in a Charity of the like kind, in the lower part of Westminster: And they being of Opinion that the House they now are in, would be convenient for their Purpose, on account of its Air, Situation, and Nearness to the Town, they therefore procured a Lease of it, and opened a Subscription for carrying on the Charity there; which, in a few Days, increased so fast, that on the 19th of October, they were enabled to form themselves into a regular Society; and they went so vigorously to work, to fit up the House for their Purpose, that on the 1st of January following, they began to receive Patients.

Dr Alexander Stuart Physician to her Majesty, Dr William Wasey, Dr David Ross, Dr Charles Peters Physician Extraordinary to his Majesty, Dr John Baillie, and Dr Benjamin Hoadley, are the present Physicians; and Ambrose Dickins, Claudius Amyand, Esqrs; Serjeant-Surgeons to his Majesty, William Cheselden Esq; Surgeon to her Majesty, and John Wreden Esq; Surgeon to his Royal Highness the Prince of Wales, are the present principal Surgeons: Mr James Wilkie, Mr David Middleton, and Mr Cesar Hawkins, are the Surgeons in Ordinary. All these Gentlemen are Governors, and serve without Fee or Reward.

A BOARD of Governors meet every Wednesday Morning to examine the Affairs of the House, and to admit and discharge Patients; and they appoint two of their Contributors, who are de-

fired to visit the House daily, and to see the Orders of the Board punctually observed. The Weekly Board have likewise resolv'd to enquire more particularly the first Wednesday in every Month, how far the Rules of the Hospital are comply'd with.

ALL the Physicians visit the Patients twice a Week, and oftner as Occasion requires; and one of them in Rotation attends every Receiving Day, and the Surgeons attend daily: And the following Apothecaries, viz. John Warren, and Daniel Grabam, Esqrs, Apothecaries to his Majesty, John Allen Esq; Apothecary to his Majesty's Household, Mr Isaac Rand, Mr John Clark, Mr Andrew Mitchel, Mr Thomas Grabam, and Mr James Fraser, attend by Rotation as Visitors, to see that the Apothecary of the House takes due Care of his Patients and Medicines, and that they be duly dispensed according to the Prescriptions of the Physicians.

FOR the more orderly and regular carrying on this charitable Design, Joseph Hudson, Esq; and Mr Richard Aspinwall are the Treasurers, and Mr Thomas Smith Secretary: By these Gentlemen all the Books of Accounts, and Minutes, are kept and entered: and these, together with the above-named Apothecaries, are all Governors, and serve Gratis.

AND that proper Care may be taken of the Souls, as well as the Bodies of the Patients, they are instructed in the Doctrine and Practice of Christianity, have daily Prayers read to them, a Sermon every Sunday, and a Monthly Communion; which Services are at present perform'd by the Rev. Mr Fraser: and at their Discharge, Books are given them for their further Edification.

How remarkably the Blessing of God hath attended this Society, appears from the following Account of Persons reliev'd under their Care, and of the Money they have receiv'd, whereby they have been enabled to make additional Buildings capable of accommodating (when finish'd) seventy Patients, over and above the hundred now in the House; and they rely upon the same kind Providence, to enable them to finish the Plan of their Buildings, which will contain in the whole near 300 Patients. The Society also has agreed to fit up a Lying-in Ward for poor married Women, so soon as such a charitable Design can be put in Execution.

AND that such Persons, who by their last Will shall be dispos'd to encourage so useful a Charity, may be informed in what manner it may be done effectually, it is thought proper to publish the following Form of a Legacy for that Purpose.

Item. I give and bequeath unto A. B. and C. D. the Sum of \_\_\_\_\_ upon Trust, and to the Intent that they, or one of them, do pay the same to the Treasurer or Treasurers for the Time being, of a Society, who now call themselves the Governors of St. George's Hospital near Hyde-Park-Corner; which said Sum of \_\_\_\_\_ I desire may be applied towards carrying on the charitable Designs of the said Society.
